

# Palionisos Bay 2011

## Acces:

The new Road via Skalia to Palionisos. Continue with a dirt road, passing Nikolas Taverna, to the beach. From there left up a dirtroad to the parking. Follow the blue dots and cairns up the hill to the obious crag with the orange roof.

All routes cleaned and with lower-offs, 30m.

- 1 **Henkelparade (jug parade), 5b\*\*\***, *in the gully with the big holes and jugs* (Christian Schmidt, Angie Hafner & Drilling Gang - 11/2011)
- 2 **Teardrop, 6c \*\***, *technical and not so easy for the on-sight* (Theo Hoch & Drilling Gang – 11/2011)
- 3 **Matze alive, ??** (Jürgen Rohrmann 11/2011)
- 4 **Wiesel, 6b+ \*\*** - *variant to the following line, one short passage difficult* (Hommel & Friedrich - 10/2011)
- 5 **Iltis, 6b \*\*\*** - *a natural line, various, technical at the crux with tiny holds*

500m to the left from „Henkelparade“:

**A „Nikolas“** 6a, 23m - **B “Bay”** 6a, 20m (Hommel & Friedrich - 10/2011)

Thanks a lot to Sue and Steve McDonnell (Glaros Bar) and George Hatzismalis (Municipality of Kalymnos) for their help!
